PRIMARY EXAMINER

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner contacted counsel and suggested that the claims be amended to include the limitations of claim 14 into claim 1 because the art does not suggest this feature in combination with the recent amendments to the claims. Specifically, the amount of the charge control adjuvant above the solubility amount in the liquid carrier is not suggested where this amount also reduces the bul conductivity of the liquid toner composition as the positively charge toner particles are depleted..
